

Now we are twenty!

Come, let us celebrate the **Shul's 20th Birthday** with an unique weekend of activities and services enhanced by the presence of a very special guest,
Rabbi Lord Jonathan Sacks

Yes, on the weekend of 28th November we'll be welcoming **Rabbi Lord Jonathan Sacks** who performed the original opening ceremony for the synagogue all those years ago.

What's more, it will be a chance to remind ourselves of some of the great events and memories of the past 20 years and to think about the next 20! Join us for inspiring services on both Friday night and Shabbat morning with the latter, naturally, including a very special **Birthday Kiddush**.

The weekend will be rounded off with a **Gala Dinner**, which will feature music and Israeli dancing and will culminate in an enlightening talk by our guest of honour, **Rabbi Lord Jonathan Sacks**.
