

The Etz Chaim Project:

6. Feedback from past visits

'The madrichim were fantastic and we had a wonderful Shabbat. When can they come again?'

President, Childwall Synagogue

'Their visit was a kiddush Hashem. The congregants remarked on the intensity and devotion displayed in their davening and how genuine it was. They especially enthused the members at the seudah with their singing and general behaviour, which was more than exemplary.'

Former Rabbi, Belfast Hebrew Congregation

'They were great role models and very warm, as well as being excellent with the children'

Visit Coordinator, Allerton Synagogue
