

The Etz Chaim Project:

5. The community's responsibilities to its Madrichim

Communities are expected to cover travel, food and accommodation expenses for madrichim, so please ensure that you agree these arrangements with your hosts in advance and send them your receipts for reimbursement.

CCE provides a nosh budget of £20 per person for every group (this will be paid direct to your youth organisation, who will then distribute the funds).

Please discuss the best mode of transport with your host community so as not to incur unnecessary expenses for them.
